**MCA Driver Dallas Whitesides Recognized as Good Samaritan**

Dallas Whitesides, an Atlanta, Georgia, driver has been commended by a North Carolina couple for his act as a “good Samaritan” on July 25, 2005.

Whitesides was traveling on I-85 in Atlanta and noticed a stranded motorist. He stopped to help the couple change a flat tire and refused any compensation for his efforts. The lady, who preferred to remain anonymous, stated Whitesides should be recognized for his “selfless act and so appreciated deed.”

Whitesides has been a full-time driver out of MCA’s Atlanta terminal since September 1998. We want to thank Dallas Whitesides for his humanitarian act and appreciate his efforts. His consideration and professionalism are the characteristics that have helped MCA become “The Reliable Source.”
