“New Greensboro Terminal Manager Announced”

Vice President of Operations Steven Crossken announced today the placement of Joe Gillis as Greensboro, North Carolina, Terminal Manager.

Gillis comes to MCA from Coca-Cola Enterprises where he served over three years in positions of increasing responsibility in sales. Prior to his time with Coca-Cola, Gillis owned his own business, which gave him first-hand knowledge of the importance of cost-control and gave him insight to all aspects of business. His professional transportation experience includes seven years of service with Airborne Express, where he quickly moved through the ranks. His extensive management experience and abilities will be a welcome addition to the Greensboro operation.

Gillis is a graduate of West Point and Indiana Wesleyan University. He is looking forward to the challenges and opportunities that await him in Greensboro and we welcome him to the MCA team.
