“New Greensboro Maintenance Manager Announced”

Vice President of Maintenance Bob Driver announced today the selection of Marc Bowlby as the new Greensboro, North Carolina, Maintenance Manager.

Bowlby, most recently with Allied Systems LTD in Memphis, brings over twenty years of diesel truck and trailer maintenance and repair experience to MCA. Prior to working for Allied, Bowlby was Director of Maintenance for Coach USA.

Bowlby and his family will be relocating to the Greensboro area. Bowlby looks forward to joining the Greensboro maintenance team and will bring a fresh outlook to operations there.
