**MCA Receives Commendation from Rockwell Transportation Services**

MCA has been named one of Rockwell Transportation Services' Top Carriers for the first quarter of 2006.

MCA's Atlanta, Harrisburg and West Memphis terminals provide transportation for Rockwell. Rockwell's customer base covers a wide variety of industries, from paper product manufacturers to wholesalers of finished goods. This means we haul a variety of products from rice to industrial paper bags to garage door panels.

Rockwell is headquartered in Perkasie, Pennsylvania and has provided transportation solutions to its customers since 1981. Their state of the art technology and ability to match carriers to customers lets them provide second to none customer service. MCA has furthered their mission by providing timely and reliable transportation services.
