**MCA Names C. Steven Hill Vice President of
Dedicated Contract Carriage**

MCA has hired C. Steven (“Steve”) Hill as Vice President of Dedicated Contract Services.

Hill brings over 15 years of Dedicated Contract Services and Logistics experience to MCA. Most recently, he was Vice President of Operations for NFI Interactive Logistics and was responsible for the company’s over the road and dedicated contract operations in the Southeastern United States. In this role, he was instrumental in designing and operating several key dedicated accounts and managed a staff of over 245 professionals. He held similar positions with Cardinal Logistics Management and J.B. Hunt Dedicated Contract Services.

Hill received his BS in logistics and transportation from the University of Tennessee in Knoxville, TN. Hill’s temporary location will be MCA’s Home Office in Little Rock, Arkansas, until the DCS management offices are moved to the Atlanta, Georgia, terminal.
